

Become a friend of St Monans harbour!

Our harbour is and always has been central in our community, whether you work from it, have a boat in it, walk round it, live beside it, like to sit and look at the view or jump of the pier for the sheer fun of it!

The harbour is entering a period of change and the new St Monans Harbour Users Association has been set up to ensure that all those interested in the future of the harbour and its surrounding area can have a say in and contribute to its future.

We will pass on your thoughts, lobby on your behalf and keep you informed of proposals and development affecting the harbour and its immediate surrounds.
